

CALL FOR SUBMISSIONS!!

Instructions for a Members' Show

Deadline: DECEMBER 1, 2008

Exhibition: April 3 – May 1, 2009

A collaborative project and exhibition organized by Scott Rogers

This call for submissions is open to all Galerie Sans Nom members

Instructions for a Members' Show will be a collaborative exhibition between Calgary artist Scott Rogers and the membership of Galerie Sans Nom. For this exhibition Rogers is soliciting **instructions for artworks** from Members of Galerie Sans Nom which he will then produce in consultation with the selected participants. Rogers will choose 6 – 8 sets of instructions from the submissions and will then work in direct communication with each artist to produce and present the finished works during a members' exhibition at GSN. Each artwork will remain the property of the participants after the exhibition concludes. All media are accepted and instructions from GSN Members of diverse backgrounds are strongly encouraged. Instructions which engage with lo-fi, DIY, collaborative, innovative and experimental methods will be of particular interest, but instructions for more traditional artworks will also be strongly considered.

In order to have your work reviewed, please submit:

1. A statement of interest or artist statement
2. A set of text instructions describing the procedures for making your artwork (max 500 words, no images please). Please include technical, conceptual and material details for the project.
3. A CV or any additional information you feel is relevant (as brief as possible)

If you are not yet a member of Galerie Sans Nom please contact the gallery in order to purchase your membership. Submissions will be cross-referenced with an up-to-date members list from the gallery. Contact Angèle Cormier (angele@galeriesansnom.org) for more information.

Submit all instructions to the email address: sansnominstructions@gmail.com
